Bulbtronics shall have no liability whatsoever for loss of or damage to any such Product(s) or accessories, nor for the safe return thereof. All shipping charges must be pre-paid. It is recommended that Purchaser obtain from the carrier a signed proof of delivery to ensure that the returned Product has been received by Bulbtronics.

Upon receipt of the Product, Bulbtronics will test and evaluate the Product. If the Product is not found to be defective, then Purchaser may be subject to a labor charge for the evaluation process. If Bulbtronics determines that the Product is defective, Bulbtronics will, at its sole option, repair or replace the Product, and will pay return shipping charges to the customer. Any repairs may be made with new or refurbished parts at Bulbtronics' sole discretion. In the event of replacement, Bulbtronics will replace the Product with a like Product of equal or better quality and performance.

This Warranty is void if the Product is modified in any manner which Bulbtronics concludes, after inspection, affects the reliability of the Product, if the Product has been repaired or serviced by anyone other than the Bulbtronics factory unless prior written authorization was issued to purchaser by Bulbtronics, or if the Product has not been properly maintained as set forth in the User's Guide. Also, this Warranty excludes damage caused by normal wear and tear, accident, negligence, alteration, abuse or misuse, incorporation of any parts or accessories not supplied by Bulbtronics, fire, flood, earthquake, explosion, acts of vandalism, power surges or improper power supply, corrosive environment use, acts of God, or any other cause beyond the control of Bulbtronics

Bulbtronics reserves the right to make changes in design and/or improvements upon its products, including the Product model, without any obligation to include these changes in any products theretofore manufactured.

No warranty, either expressed or implied, is given or made with respect to any accessory supplied with the product(s) described above. Except to the extent prohibited by applicable law, all express warranties made by Bulbtronics in connection with this Product are limited in duration to the warranty period set forth above.

FURTHER, BULBTRONICS LIABILITY FOR ANY BREACH OF THIS WARRANTY SHALL NOT EXCEED THE PRICE OF THE PRODUCT PAID BY PURCHASER.
